

Class 2 Newsletter

Spring Term 2019

R.E

Please see the R.E spring term newsletter for details of this term's topics.

English

During this term we will be focusing on poetry and traditional tales. The children will continue to develop their writing skills through various types of writing.

Maths

As mathematicians the children will cover a range of topics this term.

We will be focusing on multiplication, division and fractions. The children will also look at time and money.

Mathletics: Please encourage your child to use Mathletics at home. If you require a copy of your child's log in details, please inform Miss Cobon.

Science

For the first half of the term children in year 2 will be exploring everyday materials, and the children in year 3 will be investigating rocks. All children will examine plants within the next half term.

History and Geography

In Geography the children will be learning about the United Kingdom and its surrounding seas. During the second half of the term the children will learn about life from the stone age to the iron age.

Art and D.T

This term the children will develop their design techniques using a range of methods including painting and sketching. For D.T we will be discussing healthy eating.

ICT

The children will be learning about the importance of E-safety. Please continue to reinforce this at home. They will also develop their understanding of programming.

P.E

P.E is every Tuesday afternoon. **Please ensure your child has a full P.E kit in school every Tuesday.**

Homework and spellings

Spellings: Spellings will be sent home every Monday and should be returned on the Friday.

Homework: Homework will be sent home every Friday and should be returned the following Wednesday.

Please continue to read with your child at home.
