

# Class 2 Newsletter

Summer Term 2019

## R.E

Please see the R.E summer term newsletter for details of this term's topics.

## English

During this term we will be focusing on non-fiction writing and scripts. The children will continue to develop their writing skills through various types of writing.

## Maths

As mathematicians the children will cover a range of topics this term.

We will be focusing on shape time and measuring. The children will also look at solving measures problems.

**Mathletics:** Please encourage your child to use Mathletics at home. If you require a copy of your child's log in details, please inform Miss Cobon.

## Science

For the first half of the term children in year 2 will be exploring living things and their habitats. The children in year 3 will be investigating animals including humans and then forces and magnets.

## History and Geography

In Geography the children will be learning about local rivers and coasts.

During the second half of the term the children will discover ancient Egypt.

## Art and D.T

This term the children will continue to develop their design techniques using a range of methods including painting and sketching. The children will also create patterns and construct sculpture.

## ICT

This term the children will be creating PowerPoint presentations and animations. The children will also look at different methods of presenting data.

## P.E

P.E: Tuesday afternoon.  
Y3: swimming Friday afternoon.  
Please ensure children have P.E kits in school.

## Homework and spellings

Spellings: Spellings will be sent home every Monday and should be returned on the Friday.

Homework: Homework will be sent home every Friday and should be returned the following Wednesday.

Please continue to read with your child at home.
