

St. Mary's RCVA Primary School, Wingate - Pupil premium strategy statement 2017-18

Rationale

At our school we believe that teaching and learning opportunities meet the needs of all pupils. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, ensuring that the needs of such pupils are adequately assessed and addressed. All our work through the Pupil Premium will be aimed at accelerating progress and overcoming barriers to learning so that these pupils achieve similar outcomes to their peers and diminish the difference between Pupil Premium and non – Pupil Premium.

Impact Statement:

- Achievement of our disadvantaged pupils across the school is good. At KS2, our disadvantaged pupils are generally below their peers in attainment, and the difference is diminishing. Progress for our disadvantaged pupils is good.
- In school data shows that most of our pupils are making rapid progress to catch up to their age related expectations.
- Our spending on Lexia Core 5, while ensuring all of our disadvantaged pupils had access to this, has helped to result in the differences diminishing in reading and the pupils' outstanding progress.
- Speech and language support has helped our children improve their levels of communication.
- Monitoring shows good levels of engagement of pupils and their behaviour for learning.
- Children who have, to date, accessed counsellor & PSA support have shown improved levels of confidence & self-esteem.

4. Barriers to future attainment (for pupils eligible for PP)

In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Communication and language skills
B.	Maths & English skills on entry
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)	
C.	Children from homes of low educational attainment
D.	Limited enrichment experiences
E.	Proportion of pupils from vulnerable backgrounds resulting in children entering school with low self-esteem & emotional issues and limited resilience. Low social skills.
F.	Levels of healthy lifestyles.
Desired outcomes	
A.	To develop an increased use of vocabulary and understanding amongst pupils.
B.	To improve the percentage of Pupil Premium pupils achieving expected outcomes in Reading, Writing & Maths.
C.	To improve the percentage of Pupil Premium pupils achieving greater depth in Reading, Writing & Maths.
D.	Children have a wide variety of experiences to draw upon to be able to fully engage in the curriculum.
E.	Pupils show increased confidence, self-esteem & resilience, and have developed coping strategies to overcome barriers to learning. Improved social skills.
F.	Improve fitness levels & healthy lifestyles of children.
