

Ways in which we will utilise our funding: 2017 – 2018

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport. At St. Mary's Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. The 2017 - 2018 Sport Premium funding for our school was £16,420

£5,000 was invested in the Easington School Sport Partnership Service Level Agreement.

Rationale:

At St Mary's RC Primary School we believe that a high quality and enjoyable physical education programme is important for the development of all children's confidence and social skills as well as promoting healthy lifestyles. Through our curriculum we offer the children opportunities to compete both against themselves and others, in order to build self-confidence, resilience and a sense of fair-play. Our curriculum planning has been developed alongside Easington School Sports Partnership to ensure all children are given the opportunities to develop skills, regardless of age, ability or prior experience.

Actions Taken

- A review of P.E. and Sport provision with support from Easington School Sports Partnership and Durham County Council to ensure progression of skills throughout the school and all areas of PE are covered.
- A review of after school provision to promote healthy lifestyles following discussion with Young Leaders. Provision now includes: football, basketball, dance, gymnastics, athletics, cricket and mini gym at different times of the year.
- All classes will be given the opportunity to work with professional coaches and PE teachers to improve the confidence and skills of children as well as developing the expertise of class teachers.
- To continually audit the equipment used by children and purchase replacements / additional equipment when necessary.
- To continue to work with the FISCH programme in KS2 to increase children's personal fitness and raise awareness of healthy lifestyles.
- To extend Extra Curricular sport to breakfast club.
- To continue to develop the role of Young Leaders at break times and after school clubs.
- To maintain and extend the opportunities for children to compete against other schools, using funding to pay for transport.

PE Action Plan and Budget Tracking

Key achievements to date / what will be maintained	Areas for further improvement:
<p>Increase in the number of children attending Breakfast Club on the days physical activity is offered.</p> <p>Rota developed for the use of the fixed play equipment due to the popularity.</p> <p>Young Leaders identified through the use of their hoodies and seen to be engaging children at break times.</p> <p>A range of extra-curricular clubs being offered to children in all key stages.</p> <p>Continue to provide opportunities for children to compete in competitions and festivals.</p> <p>Continue to provide staff CPD.</p> <p>Continue to provide 2 hours of high quality PE in lessons.</p>	<p>Increase the number of mornings physical activity is offered.</p> <p>To develop further leadership opportunities for Young Sports Leaders</p> <p>To increase the participation of SEND children in competitive sport</p> <p>To embed the assessment system in order to identify children who are working at, below or above the expected level</p> <p>To work with Peterlee SSP to develop a 4 year plan for PE</p>

Academic Year: 2017/18	Total fund allocated: £16,420			
Key Indicator 1: The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles				
Area for development	Actions to achieve	Funding allocated	Evidence and impact	Sustainability
Provision of breakfast club physical activities.	External coaches to run sports activities to increase the number of pupils starting the day with a	£1,000	Increase in the number of children attending breakfast club on the days physical activities are offered.	Rolling programme of sports activities

	healthy breakfast and physical activity		Increased number of children engaging in physical activity	
Improve outdoor play equipment for all year groups to increase gross motor skills	Fixed play equipment on the yard and portable equipment to encourage physical activity	£1,000	Improved gross motor skills Increased amount of children being active at break times	School to maintain play equipment through school budget
Structured physical activities during break times led by Young Sports Leaders	Regular Young Sports Leaders meetings to discuss and plan activities on offer.	£300 for equipment	Increased number of children taking part in physical activity	Year 6 YSL to train Year 5 YSL

Key Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				
Area for development	Actions to achieve	Funding allocated	Evidence and impact	Sustainability
Celebrate sporting success	PE display wall celebrating what we do each year. Certificate assemblies for sporting achievements	£100 for medals and certificates	Raised confidence and self-esteem of pupils. Promotion of the value of physical education	Held after each sporting event.
Raise boys achievement in writing	Links to the Foundation of Light	£500	Profile of sport and writing is raised	
Promotion of SMSC through sport	Race for Life event	£100	Pupils aware of the need for healthy lifestyles and supporting people who are in difficulty	Repeat annually
Raise the profile of healthy lifestyles through FISCH clubs and Fun To Cook club	FISCH engaged to work with KS2 pupils	£200	Children aware of the importance of an active lifestyle for their health	Review annually

	Taylor Shaw and school cook engaged in providing healthy eating cookery club.		Children able to recognise the components of a healthy lifestyle and given the skills to create own meals
