

School Council Minutes

Tuesday 19th May

Children – Paddy, Leo, Holly, and Lucie.

A Meeting Between our School Council & Taylor Shaw School Lunch Caterers

- We did a bean burger taste test. We thought it would be better with a smoother texture but agreed that it was one of the 'nicer' vegetarian options and could be used on 'Fish Friday'.
- Everyone at the meeting is on school dinners.
- One of us is not keen on Fridays as he doesn't like the fish & chips used.
- One of us is annoyed that he is made to have fruit, particularly that it has to be

in the puddings. He thinks this is a waste of food.

- Another child does not like the fish and would like a different option on a Friday.
- One child would like to have juice again, maybe apple juice as well as apple slices when biscuits are on the menu.
- We would like to see more exciting packed lunches.
- We would like sauce on a Friday.

It was agreed that we would come up with ideas for a 'fun' menu day. Paddy to be in charge of organising this.
