

Home learning links

Lexia Core5 UK

Children in Year 1 are encouraged to work on this app for around 15 minutes a day to recap and apply their phonic knowledge.

PhonicsPlay

PhonicsPlay is currently offering free access to phonics games and activities. Children in Year 1 are currently working on phase 5 and children in Reception are working on phase 3. However children can also recap previous phases.

Mathletics

Children in Year 1 are encouraged to complete the maths activities that have been assigned to them following on from our work in school.

Topmarks

Topmarks provides interactive maths games for children in Reception and Year 1.

Twinkl

Twinkl is currently offering free access to lots of resources and creative ideas.

Joe Wicks

All children are encouraged to exercise daily. Joe Wicks is providing a daily 30 minute P.E lesson live on Youtube.
